

# AUSTRALIA'S LEADING UNIVERSITY

At the ANU College of Engineering and Computer Science, you will be studying at Australia's leading university – with a community of innovative students, teachers and researchers who are finding solutions to the world's greatest challenges.

Find out more at cecs.anu.edu.au

ANU College of Engineering & Computer Science

#1 in Australia and Top 25 in the world\*

Home to Raijin, Australia's most powerful supercomputer

ANU is #1 in Australia for International Outlook in Engineering and Technology 2018\*\*

Guaranteed accommodation for all undergraduates that apply.\*\*\*

6 Nobel Laureates among our faculty and alumni

Modern and unique degrees

Innovative and advanced approach

Home to the world's largest paraboloidal dish solar concentrator

### **Credit Arrangement**

## ANU College of Engineering and Computer Science & – Northwestern Polytechnical University (NPU)

The table below outlines the minimum academic requirements and indicative credit that may be granted. Note: All applicants must provide evidence that their English language ability meets minimum requirement for admission. For detailed information please visit: <a href="mailto:anu.edu.au/study/apply/english-language-requirements">anu.edu.au/study/apply/english-language-requirements</a>

### **Engineering Degrees**

Completion of first 2 years of NPU Bachelor Degree in:	ANU Bachelor Degree	ANU Normal Duration in years	Advanced Standing in years (Credits)	Time to com- plete degree at ANU	Academic Requirements*
<ul> <li>Communications Engineering</li> <li>Electronics Science and Technology</li> <li>Electronics and Information Engineering</li> <li>Information Engineering</li> </ul>	Bachelor of Engineering (Honours)  • Electronic and Communication Systems	4 years	2 years (96 credits)	2 years	Achieve an average of 75% or above during the studies at NPU.
<ul> <li>Composite Materials and Engineering</li> <li>Materials Science and Engineering</li> <li>Materials Forming and Control Engineering</li> </ul>	Bachelor of Engineering (Honours)  • Mechanical and Material Systems				Students below a 75% average are invited to apply; however, admission and advance standing will be assessed on a case-by-case basis
<ul> <li>Automotive Engineering</li> <li>Electrical Engineering and Automation</li> <li>Techniques and Instrumentations for Measurement and Control</li> </ul>	Bachelor of Engineering (Honours)  • Mechatronics				

#### **Computer Science Degrees**

Completion of first 2 years of NPU Bachelor Degree in:	ANU Master Degree	ANU Normal Duration in years	Advanced Standing in years (Credits)	Time to complete degree at ANU	Academic Requirements*
Bachelor of Engineering (Computer Science and Technology)	Bachelor of Advanced Computing	4 years	2 year (96 credits)	2 year	75% or above average at NPU.

<sup>\*</sup> Advanced standing will be assessed on a case-by-case basis once results are received. (Last updated: August 2019)
